To Comptroller

The Superintendent of Police Rs: 1000 & 500 sent by the Agent Bankshall Bazar, Bangalore Bank Dr into fresh debentures of Rs: 800 & 700 Each. These new debentures were presented & the Dewan after being passed by you for signature there the Private Secretary. The Dewan raised the question as to the Correctness after the into sums other than multiples of Rs: 500/ vide his remarks on the Office memo (in the file). The Notification, a Copy of which I sent to the Private Secretary on his appointment, para 3 is quite clear on the point. This rule. I regret to say was, owing to the number of years the Govt. was unrepresented to, overlooked by Subsidiary in the Northern. And the Rule Division was made under the British Rule which allows of their debentures being subscribed into sums of Rs: 100/ or multiples of that amount.

Accompanying

Note which is put up for your approval was asked for by the General Secretary to whom the enclosed file was sent by the Private Secretary & the Dewan

M. C.

Note.

Under para 3 of Notification dated 27th May 1882 in re tender for the Mysore Railway Loan of 1882, debentures are issued in sums of Rs. 500 or some multiple of this amount. This rule, as far as I am aware, has not been amended.

In the present case, the Bank of Bengal through the Agent of the Bank of Madras, Bangalore asked for the sub division of two Mysore Debentures of Rs. 1,000 and 500 each into two of Rs. 800 and 700 each and losing sight of the rule quoted above and applying the British Rule, which allows of their Pro-Notes being issued in sums of Rs. 100 or multiples thereof, the new debentures for the required amounts were printed and sent for the signature of the Dewan; no forms of Debentures for such amounts being in stock. This is the first instance in which sub division has been asked for or issued for sums other than a multiple of Rs. 500.

I may add that the following Mysore debentures of the original issued, were prepared and issued for sums other than multiples of Rs. 500.

No. 293 for	Rs.1,300.	The balance of the amount tendered by Messrs. Skinner & C Calcutta.
,, 571 ,,	10,100.	Police Superannuati Fund.

No. 572 for Rs.	1,400.	Muzrai Surplus Fund of certain Districts.
,, 573 ,,	11,800	
,, 575 ,,	1,200.	
,, 576 ,,	19,800.	
,, 1091 ,,	100.	Balance of amount tendered by Col. Treadway Clarke.

17t7.99. Sd. H.Eagles.
Assistant Controller.

The minimum of Rs. 500 must have been originally fixed upon with no other object than to save later on the issue, accounting and ~~making periodical~~ making periodical payments of interest.

As the loan is to run only for three years more the sub division may be authorized as a special case.

My dear Mr. Eagles,

Kindly note opposite the Nos. below when & under what circumstances those debentures for sums other than X^5 of 500 were issued.

My dear Mr. Srikantesvara Aiyar,

These debentures were issued under the orders of Mr. Hudson the Comptroller in August 1882. I am not aware of any special circumstances under which they were issued in other than X^5 of 500. The amounts intended for estments & being sums other than X^5 of 500 debentures were issued for such amounts.

Sd H. Eagles

P.S. I may add that the Bank has intimated its willingness to receive Debentures for Rs. 500 each instead of two, on Rs. 800 & 700
